

Dear Weston Families and Friends,

We have a new great way to support our school. If you are using Shutterfly to purchase keepsakes throughout the year such as Photo books, party invitations, or graduation announcements as an example, please go through our unique portal to log in first so that our school can earn 8% back on all purchases.

The more our families and friends use **our** portal, **the more money our school earns**. Every time you log on to Shutterfly to make purchases with the Weston link our school earns 8% off that transaction.

Please remove your Shutterfly.com bookmark from your web browser and replace it with ours. Also, please share this link with families and friends. You do not need to have children that attend Weston Elementary to give back to our school, you just need to use our unique URL when you shop.

All funds raised are used to support student programs and go directly into classrooms.

This is our link:
